Trick or Treat

A Bit of Both!!!

On Tuesday, October 26, we were finally able to have our Haunted Hike and Campfire!!! It turned out to be a fantastic evening, with a lot of great feedback.

We were able to introduce our new Lion, Tiger and Wolf dens, then went on our Trick or Treat hike that ended at the

Valley View Park fire bowl.

A big thank you to our Webelos I den for building the campfire, and accomplishing a requirement!

During the campfire, scouts and family members enjoyed their treats, while they listened to stories and participated in contests.

One of the highlights was when "The Joker" (a.k.a. Cubmaster Freville) "tortured/tricked" everyone into listening to his "killer" Halloween Dad Jokes!!

Thank you to Troop 93 and Troop 68 leaders and scouts for helping us out with this event!!

Cubmaster's Corner

Words from Cubmaster Joe Freville

What a fun Halloween week! Our Haunted Hike and Campfire was a success, and the Trunk-or-Treat event at Orchard Lane was fun filled as well. The Halloween festivities kicked off the holiday season.

Next up, Thanksgiving! At Thanksgiving we tend to think about what we are thankful for - friends, family, freedom, opportunities etc. We don't always get everything we want, but we all should be thankful for what we have. However, let's make sure not to forget the "-giving" part of Thanksgiving.

In many ways, this is the more important aspect, that is often forgotten. As Cub Scouts, sometimes you may not be able to give money, but you can always give time. You can give, by doing your "Good Turn" each and every day. Open a door for someone that has their hands full. Help a friend at school pickup or put away their things. Offer to sit with someone who is sitting by themselves at lunch and make a new friend. Help a neighbor do yard work, or visit elderly person and get to know them. However small or simple it is, between now and Thanksgiving really commit yourself to taking the time every day to "Do a Good Turn Daily".
